MEMBERSHIP REQUIREMENTS

EVERY descendant, over eighteen years of age, of any passenger on the Mayflower, on the voyage which ended at Plymouth, New England, in December, 1620, is eligible to membership.

Candidates for membership must be nominated and seconded by two members of the Society, on "Preliminary Application" blanks furnished by the Secretary.

After the Preliminary Application has been approved by the Membership Committee, the "Pedigree Blanks" are mailed to the applicant.

The Pedigree Blanks must be filled out in duplicate and sworn to, and must give in detail the line of descent and proofs of eligibility, with complete references by volume and page to authorities quoted.

The entrance fee and the dues for the current year must be deposited with the Secretary, when the Pedigree Papers are filed.

After examination by the Historian, the Pedigree Papers are referred to the Board of Assistants and voted upon by secret ballot, two negative votes rejecting a candidate.

If an applicant is descended from more than one Mayflower Ancestor, one line only should be used in making application. Blanks for proofs of additional lines of eligibility will be furnished by the Secretary, after election to membership.

The Entrance Fee is \$10.00. The Annual Dues are \$3.00, payable when the Pedigree Papers are filed with the Secretary, and on the first day of March in each year. Members elected in December, January and February are not required to pay Annual Dues again on the first of March following.

The payment of \$50.00 at one time exempts a member from all future Annual Dues.
